

# Our Complete Line of Grease Guns

**JOHN DEERE**

# John Deere Green, time-tested grease gun designs that are guaranteed to perform

Here are two of the most durable and convenient grease guns John Deere has ever offered. From their impact-resistant handles to the rugged pistol assemblies, these guns are designed to make greasing easier than ever.

Grease is inexpensive insurance that keeps your equipment running strong. That's why investing a little extra for the highest-quality lubricants teamed with a first-rate grease gun is money well spent. Our current line of grease guns is the finest John Deere has ever offered.

## **Our Pistol-Grip and Lever-Action Grease Guns deliver:**

- Thick, industrial-strength steel throughout for long life
- Ergonomically designed handles and levers for comfort
- Premium rod-and-plunger design for improved grease compression
- Critical components constructed of cast-iron for ultimate durability
- One-year warranty
